

**Submission deadline  
extended to 31 January 2010**

**The Society for  
Broadband Professionals**

SCTE 2010  
Achievement Awards

**TECHNOLOGICAL INNOVATION OF THE YEAR**

## PAST WINNERS

**2008**

David Price of Harmonic Inc receives the SCTE 2008 Technological Innovation of the Year from Michael Bunce OBE, Chairman of IBC, at the Gala Awards Dinner held at Woburn Abbey in February 2008 for their NSG 9000 Universal EdgeQAM product.

**2009**

The 2009 SCTE Technological Innovation of the Year Award went to Ineoquest Technologies Inc for their VeriFrame™ product. The award was presented to Stuart Newton of Ineoquest by Bill Olnier MP at the April 2009 Gala Awards Dinner held at the House of Commons, Palace of Westminster in London.

# SCTE 2010 TECHNOLOGICAL INNOVATION AWARDS

Nominations are now being sought for the 2010 SCTE Technological Innovation Awards which will be presented at the SCTE Gala Dinner on Saturday 24 April 2010. Following the massive sell-out success of our previous dinners, this is sure to be another success especially as the 2010 event is being held at the unique venue of the Great Hall at Lincoln's Inn, London.

Traditionally, the prestigious SCTE Technological Innovation Awards have only been awarded to Patron Members of the Society but, as a result of the general interest raised, we have decided to open the awards to the whole Broadband Industry and you are, therefore, invited to nominate a product on the attached form.

## Eligibility

The awards are for technological innovation in the broadband arena and may be for a product, system or concept. (Please Note: The item nominated must have been introduced into the marketplace between 1 January 2009 and 31 December 2009).

## Award Categories

Awards will be given for three separate categories:

- Best broadband network transmission solution.
- Best CPE solution.
- Best digital processing solution.

In addition, the best overall submission will receive the:

- SCTE 2010 Technological Innovation of the Year Award.

## Nomination Procedure

Nomination forms are to be forwarded to the SCTE office no later than the end of December 2009. Nominations can be made on the attached form or, alternatively, they can be submitted by email to [president@scte.org.uk](mailto:president@scte.org.uk). An electronic version of this form is available via the SCTE website at [www.theSCTE.eu](http://www.theSCTE.eu). In order to assist the judging panel in their deliberations, please limit your submission to 300 words or less; you may, however, attach product brochures, white papers etc as background information.

## Judging Process

Judging will be by an independent panel of industry experts. After the closing date, judging will take place and the shortlisted candidates will be announced by the end of January 2010. The ultimate winners and runners-up will be announced at the end of February 2010.

## Prize Winners

Shortlisted candidates may use the SCTE logo and the words "Finalist, SCTE 2010 Technological Innovation of the Year Awards" in their promotional material throughout 2010. In addition, the winner's achievement will be promoted in a press campaign by the SCTE to the trade press and to its international membership.

The winners will receive a prestigious SCTE 2010 Technological Innovation of the Year Award, which will be presented at the SCTE Gala Awards Dinner on Saturday 24 April 2010 at Lincoln's Inn, London. Subsidised places at the event will be made available for representatives of the winning and runner-up companies.

## Entrance Fee

There is a nominal, non-refundable entrance fee for this Award of £100. Please ensure that your cheque (made payable to SCTE) is attached to your nomination form or, alternatively, payment by credit card or BACS can be arranged with the SCTE office on Tel: +44 (0) 1923 815500.
